Downriggers

Digi-Troll Series

Digi-Troll Series

385-1902325 **Digi-Troll 10**
385-1902315 **Digi-Troll 5**

Turns out, you can have it all: ultra-responsive control, unparalleled strength, precise performance and revolutionary innovations like Positive Ion Control. They're all yours with the Digi-Troll series, making it even easier to get your lure where the fish are, from thermoclines to submerged structures.

- Easy-to-use illuminated keypad controls with large backlit LCD screen
- Ultra-fast retrieval rate of 250' per minute
- Short Stop feature automatically retrieves the weight at the push of a button
- Waterline Zero lets you keep your weight at a set depth below the surface
- Five adjustable retrieve and deploy speeds
- Removable side plate for easy spool access
- Digital depth counter
- IP68 waterproof power cord
- 20-lb weight capacity
- Heavy-duty telescopic boom extends from 24" to 53"
- Dual axis adjustable rod holder(s)
- Integrated ball storage hook
- Includes mounting base and low-profile swivel base
- Incl. line release (2 on Digi-Troll 10) and 400' of 150-lb test stainless steel cable
- Corrosion-resistant construction

Digi-Troll Tournament Series

385-1902330 **Digi-Troll 10 TS**
385-1902320 **Digi-Troll 5 TS**

Magnum Series - Metric

Magnum Series

385-1902306 **MAG 10 STX**
385-1902301 **MAG 5 ST**

Magnum gives you the edge with a lethal combination of power and performance. Serious fishermen rely on its rugged construction, fast retrieval rate, and intelligent features like Short Stop and Positive Ion Control. Built to be straightforward and hardworking - just like the guys who trust it every day.

- Dual axis adjustable rod holder
- IP68 waterproof power cord
- Removable side plate for easy spool access
- Three-digit depth counter
- Integrated ball storage hook
- 20-lb weight capacity
- Incl. line release and 250' of 150-lb test stainless steel cable
- Corrosion-resistant construction

Magnum 5 ST

- 24" heavy duty boom
- Mounting Base

Magnum 10 STX

- Heavy duty Telescopic boom (24" to 53")
- Mounting Base
- Low profile swivel base

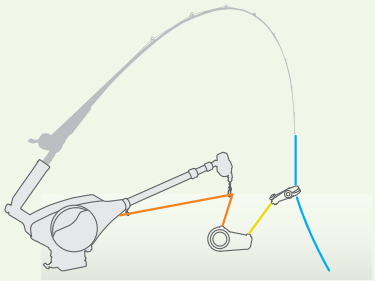
Magnum 10 STX-TS

As Magnum 10 STX but with corrosion-resistant construction

Magnum Tournament Series

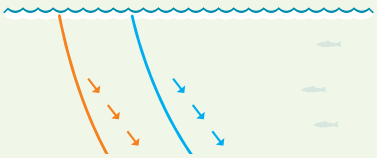
385-1902311 **MAG 10 STX-TS**

Using a Downrigger



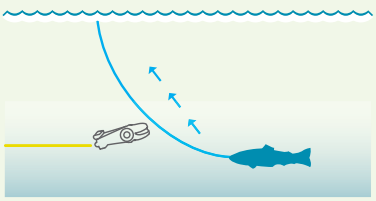
attach and lower

To rig, attach the weight (or Cannonball) to the cable, and use a "line release" to attach the weight to the line. Place the rod in the rod holder and lower the weight to your desired depth.



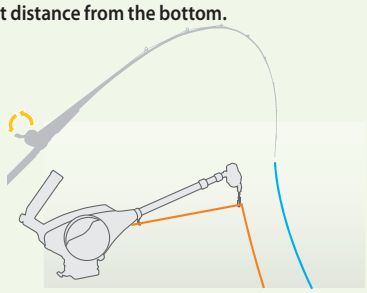
down with the weight

While trolling, the weight of the Cannonball keeps your lure at your desired depth and allows it to "swim" more naturally behind the weight. On some Cannon downriggers, you can cycle the weight up or down, or keep it a set distance from the bottom.



line release

Once a fish takes the lure, the line release lets go of the line and the fish is on.



remove and reel

After you see that the fish is on, remove the rod from the rod holder and reel in your catch.

Uni-Troll Series - Metric

385-1901121 Uni-Troll 5
385-1901131 Uni-Troll 10
385-1901141 Uni-Troll 10 TS

- 2:1 retrieval speed
- Three-digit depth counter
- Integrated ball storage hook prevents boat damage from swinging weights
- Includes rod holder and line release
- Pre-spooled with 200 ft of camouflaged 150-lb test 316-grade stainless steel cable
- 20-lb weight capacity
- **Uni-Troll 5**
  - 24" heavy duty boom
- **Uni-Troll 10**
  - Heavy duty Telescopic boom (24" to 53")
  - Low profile swivel base
- **Uni-Troll 10 TS**
  - As Uni-Troll 10 but with corrosion-resistant construction

Mini-Troll

385-1901200
A horizontal reel/brake, 100' of stainless steel cable and a swivel-head depth counter come standard.

Lake-Troll

385-1901250
Utilizes a swivel-head depth counter and an 18" copolymer boom. Comes pre-spooled with 100' of stainless steel cable.

- 1:1 retrieval speed
- 18" Copolymer boom
- One-Hand Clutch Deploy for simple, precise bait positioning
- Includes line release and tube-style rod holder
- 8-lb weight capacity
- Quick mount tab-lock base
- Swivel-head depth counter
- Pre-spooled with 100' of 135-lb test stainless steel cable

Easi-Troll - Metric

385-1901021
Features a 50% faster retrieval rate, three-digit metric depth counter and 24" copolymer boom. Comes pre-spooled with 150' of 150-lb test 316-grade stainless steel cable.

- Fast, effortless 1.5:1 retrieval speed
- One-Hand Clutch Deploy for simple, precise bait positioning
- Easy-Access Universal Mounting Base – same as our electric models
- Single axis rod holder – fully adjustable front to back
- Includes line release
- Enclosed boom end pulley prevents line jumping
- Ergonomic crank handle
- 24" stainless steel boom
- Three-digit depth counter
- Pre-spooled with 150' of 150-lb test stainless steel cable

Flash Weights™
Vinyl coated to prevent scratching the side of the boat; uses reflective prism tape on the fin for extra fish attraction.

Uni-Line Release
Two adjustment points allow tension settings from 2 to 22 lb. Perfect for slow trolling with live baits or going after light-hitting walleyes. Easy one-hand tension release for use on any test line in saltwater or freshwater.
